

FROM EVIDENCE TO ACTION

Make the next decision easier

A visual story assembled from reusable parts.

A REUSABLE COMPOSITION

Shared evidence supports one clear decision

Fixed geometry, three labels, one accent. No freehand path drawing is needed.

Each visual earns its place in the story

Compose

Start with reviewed shapes and a clear hierarchy.

Focus

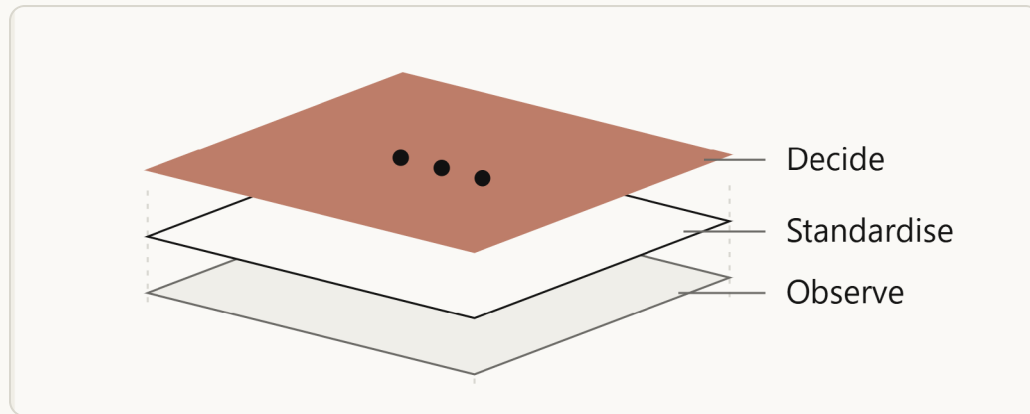

Give the reader one place to look first.

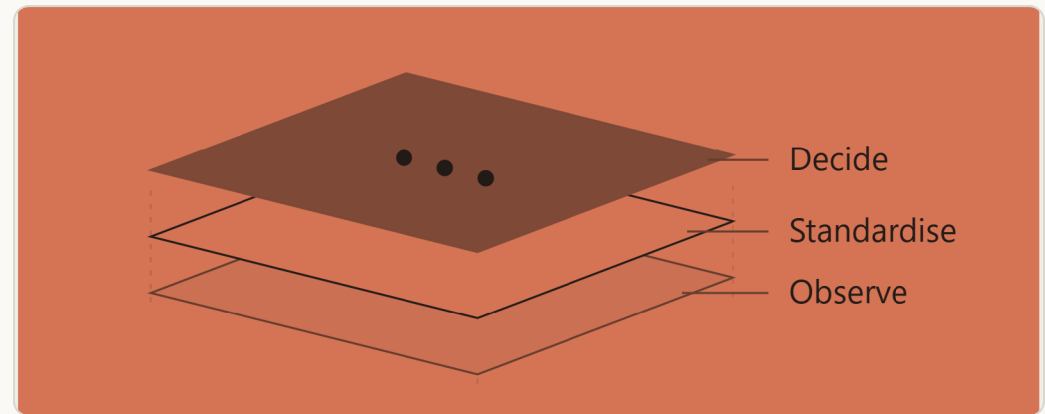

Review

Render the result at its final size.

Local images can share a consistent treatment

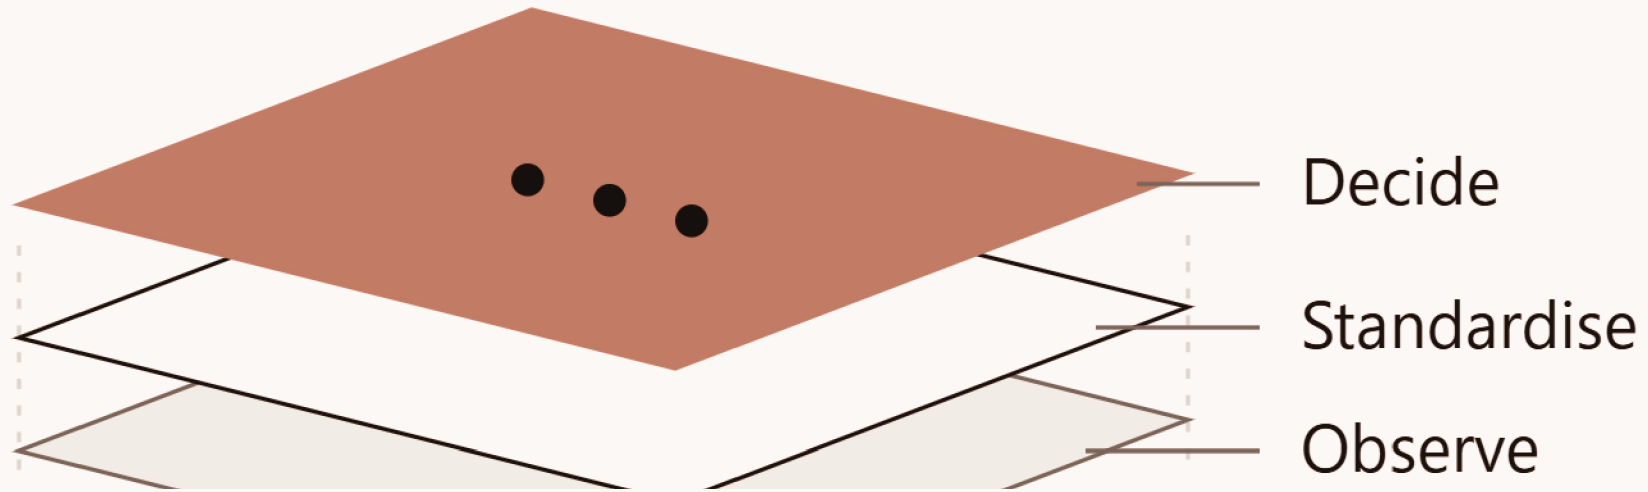

Original local raster illustration.

Duotone follows the current style.

A solid panel keeps image captions readable

Let the picture carry the idea. Give the text a calm place to sit.

QUALITY COMES FROM REVIEW

Reuse the parts. Refine the story.

The sample raster was rendered from the SVG offline.
